Dear Contractor:

The following locals will be affected by the changes to the Holidays; 327, 328, 330, 336, 339, 346, 349, 352, 723. Please reference Article 7 section 1 of the following CBA's; North Atlantic States Regional Council of Carpenters LU 327,328,330,336, 339,346,349,352 (Boston, Eastern, Central MA, NNE), North Atlantic States Regional Council of Carpenters LU 336 (Western MA), and Wood frame construction agreement, LU 723. Carpenters working on projects covered under these CBA's will observe Martin Luther King, Jr. Day as a holiday.

In CBA's where Patriots Day was a union holiday, it will not be recognized as a holiday under the current CBA's and will be a regular working day for Carpenters. In the event a city, municipality, or awarding authority shuts down a project to observe Patriots Day, the carpenters will not consider this a lockout.

Any questions or concerns please reach out to your Local Business Representative or the Contractor Relations Department, Steve Joyce or Kim Hokanson.

Executive Director

Kim Hokanson
