Consent to Receive Electronic Disclosure of the Plans' Notices

Posted On November 9, 2022 By [NECBF](#) [NECBF](#) And has [No Comment](#)

Dear Participant:

The North Atlantic States Carpenters Benefit Funds has the capability to provide you with electronic disclosures of Plan notices. Included documents are: legally required notices, Summary Plan Descriptions, Summary Material Modifications, Newsletters, annual tax notices etc. Documents not included are health related documents, annual pension, annuity and Health eligibility statements, or any notification that includes personal information. It's simple to opt in. This means you will no longer receive these documents in the mail, and you can store the information electronically in your computer for easy access.

If you are a member and have registered and have access to the "NE Member Self-Service" portal, under the profile tab, you can click the opt in button. Upon receipt of this request, you will receive an email confirmation within 48 hours outlining the delivery method to be used and your rights to withdraw consent. If you have not registered for the "NE Member Self-Service" portal and would like to, you may create an account at <https://selfservice.carpentersfund.org>. Alternatively, if you are not a member but are receiving pension or annuity benefits and would like to opt in for electronic communications or if you wish to have the required Consent form mailed to you, please call 1-800-344-1515 or visit our website under the tab "Forms" and download the consent form.

We are pleased to offer this feature to all our participants in our continued efforts to provide easy access to information.

Sincerely,

North Atlantic States Carpenters Benefit Funds
