Account Card

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person when opening a new account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

We require 2 forms of ID: Primary-current valid state/govt ID such as driver's license showing current address or non-expired passport. Secondary: Utility bill, bank statement issued in last 90 days, social security card, student ID or Union card.
